

Who is this for?

This qualification is typically delivered over 1/2 day.

It is intended for all employees, and can be used as an induction to fire safety in the workplace or as a refresher course.

This can also be taken as part of the level 2 qualification.

Key points

- Regulated qualification
- Written to meet fire safety requirements
- 4 Guided learning hours (1/2 day)
- Recommended to be refreshed every 3 years
- Certificate included
- Assessed by MCQs

Course content

This qualification has been developed to provide an introduction to the basics of fire awareness in the workplace.

- The fire triangle
- Understand the spread of smoke and fire
- Explain how to use fire extinguishers
- Actions in the event of a fire
- Safe evacuation

The content has been written to meet accepted guidelines. The delivery will be tailored to the needs of the employer.

This may include undertaking a fire evacuation. Additional time may be required.

Learners may also wish to attend the QNUK Level 2 Award in Fire Safety for Fire Marshals (RQF)
